The distribution of responsibilities and tasks within the IISHF Presidium is agreed upon jointly within the IISHF Presidium. 4. Motions to change IISHF Constitution 2024

According to point 11.6 IISHF Constitution changes to IISHF Constitution can only be done

- in each odd year any change (which means next in 2025)
- in each even year only clarification and any error corrections (which means next in 2024)

We did not get any proposals for clarification and/or error corrections.

5. Motions to change IISHF Regulations 2024

We have received only one proposal from Switzerland (FSIH) for modification of point 18.5 IISHF Regulations as follows:

Old: Each team is allowed to bring a maximum of 20 players to an IISHF Continental Cup **A-event** in accordance with §4.2.1 of the IISHF Rule Book.

New: Each team is allowed to bring a maximum of 23 players to an IISHF Continental Cup **A-event** in accordance with §4.2.1 of the IISHF Rule Book.

Explanation:

Due to the experiences of the IISHF European Championships 2023 it became obvious that due to the duration and intensity of these high performance events a team cannot use all players during the entire event.

This we think that on this level exchange players must be available during the event as follows:

- 3 Goalkeepers
- 10 Defensive Players
- 10 Offensive Players
