1. IISHF Working Groups - establishment

As stated in the minutes (point 21 “any other business”) from the AGM 2015 in Hamburg, Germany (as published in the IISHF Communication Letter 2015-04) it was proposed that all NMA’s should present members for the two IISHF Working Groups (Financial and Title Events).

As mentioned in the IISHF Communication Letter 2015-08 (April 6th, 2015) the deadline for participation in each Working Group was set of until May 10, 2015 for the NMA’s to report about any person who will represent the relevant NMA in the Working Group. The IISHF Presidium has now nominated the members for both groups. We apologize for the delay in the announcement but a number of incidents at the Title Events this year have taken much of our time and then the vacation time has extended the selection process.

Each working group will have participation of 5 IISHF member associations and 2 members from the IISHF Presidium. For each working group there is a Chairman (IISHF Presidium Member) who will lead the work of the group.

Each working group should latest September 1, 2015 make an agenda for their work this year. Each working group should latest December 15, 2015 deliver a report for their work this year and prepare a plan for their work for 2016. Each working group should make a presentation at the IISHF Working Meeting 2016 and at the AGM 2016.
