2. Vacant U19 European Championship 2017 – Applications urgently requested

The U19 European Championship is very important and an event we normally do every year. Thus the IISHF Presidium would very much like to encourage all NMA's to consider hosting this event. Especially countries who haven't yet made any application for hosting Title Events in 2017 are kindly requested to assist.

We hereby ask all NMA's to provide an official formal application (date for September – November both months included and not overlapping with other title events 2017) latest until **12th December 2016** to the IISHF Presidium. Please be aware that without application until 12 December 2016 the U19 European Championship 2017 might not take place.

3. Deadline for NMA's to publish information

We hereby officially announce that according to point 12.1 IISHF Constitution the IISHF Presidium has imposed an official deadline for all IISHF National Member Associations (NMA's) to inform until **28.11.2016** all their clubs:
