Any cancellation at a later point will follow the IISHF Regulations.

In case of any vacant places at IISHF Title Events 2021 the selection will be done after the IISHF Regulations as per the ranking used originally for the selection for the relevant IISHF Title Event 2020.

4. IISHF Men Challenge Cup 2021 – clarification of participating players

From 2021 with IISHF Regulations version 2020 it is not allowed anymore to play with the same team/players at the IISHF Men European Cup and the IISHF Men Challenge Cup. However, since all IISHF Title Events from 2020 have been cancelled and postponed to be played next year in 2021 with 2020 age limits and rules. Thus from legal point of view SHC Rockets Essen from Germany could then play next year (2021) at both the IISHF Men European Cups using the same players given that they - as expected - will host the IISHF Men Challenge Cup. Starting from 2022 all clubs will only be allowed to use the same players at one of the two IISHF Men Cup Events.
