

IISHF (draft version 20-02-2021)

Vision

Inline Skater Hockey is a well-developed sport recognized and played worldwide. Being the fastest and most physical summer team sport, it **remains** **is** independent from ice hockey and other roller sport disciplines. It **also** remains affordable to its communities, and excites players, spectators and supporters of all sexes, abilities and age groups. **Inline Skater Hockey seasons run** throughout the entire year with official **competitive seasons** **competitions** lasting from early spring to early winter.

Mission

IISHF promotes, develops and safeguards inline skater hockey as a fascinating and fair team sport over all continents from street to **top elite** level.
