For Members with 49 teams or less registered 1 Vote

For Members with 50 to 99 teams registered 2 Votes

For Members with 100 or more teams registered 3 Votes

If two delegates are present, the vote shall be granted only to one of the two delegates as per decision by the relevant National Member Association.

3. Regarding deadline Men Invitation Cup 2011

The IISHF Presidium has decided to postpone the confirmation from the NMA regarding the Men Invitation Cup 2011 until 31st January, 2011.

For some countries it is a complete new situation and they don't have the necessary domestic regulation for this. For the future it will not be a problem, but for this year we have accepted to extend the deadline one month.

4. International Referee Course

On the weekend of March 19-20, 2011 an International Referee Course will as previously agreed take place in Düsseldorf (Germany) where all International Referees and TDs shall take part – the NGBs shall please

inform their referees accordingly. All further details will be reported lately until end of January.

We wish you all a Happy New Year.
