

The IISHF Technical Committee hereby approves the modification of the equipment as described below according to rule 5.1.3 "Rules of the Game 2012" to be used in all Inline-Skaterhockey games governed by the IISHF or any of its member associations to:

Name: Krieg, Julian
Date of Birth: July 27th 1989
Club: Bremerhaven Whales
NMA: Germany, Inline-Skaterhockey Deutschland (ISHD)

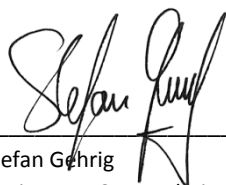

Permission to use the modified equipment is limited until **December 31st 2012**. This document becomes invalid from thereon.

Specification

Type of equipment: player's helmet (rule 5.5 "Rules of the Game 2012")
Type of modification: Additional jaw and chin protection
Reason for modification: Medically indicated
Measurement: Height 8cm; Width 15 cm; Depth 9 cm
Description: The protector is padded and attached to both sides of the helmet just below the visor. It is made from polythene and Evazote®.

Referees and/or Technical Directors are responsible for comparing the modification to the aforementioned specification. In case of any discrepancy between the specification in this document and the actual piece of equipment the player must not be allowed to take part in any game of Inline-Skaterhockey with this piece of equipment. The IISHF Technical Committee is to be informed immediately in such cases.
