1. EGM 2012 Agenda

The Extraordinary General Meeting (EGM) 2012 will as previously mentioned take place Friday October 19th, 2012 at 8.30 PM in Givisiez, Switzerland. The meeting should not take more than 90 minutes and IISHF will provide something to eat and drink during the meeting.

The EGM will mainly focus on current developments and prepare for the upcoming AGM 2013 which will take place the last weekend of February 2013. The intention of the EGM 2012 is basically more or less to have an informal meeting at the Men European Championships.

Attached please find the agenda for the EGM 2012.

2. Request for Men B-Tournament in February 2013

Snake City Rollers a Danish club in a suburb to Copenhagen hosts every year an indoor Domestic tournament in week 7 (February). In 2013 they consider to host an indoor International Men B-Tournament on a 20x40 meter sports court pitch the weekend of February 9-10, 2013. Since this would be a winter tournament they would like to know latest by November 1, 2013 if any foreign teams would consider participating before they make a formal application to IISHF.
