2. Accommodation for the U16 European Cup 2013

Wolfgang Dietrich from Crash Eagles Kaarst the hosting club of the U16 European Cup 2013 on June 15-16, 2013 in Kaarst, Germany has provided the following kind information about accommodation at the IISHF Title Event:

Wolfgang Dietrich writes the following:

“We negotiated a very comfortable room rate including some other details. We want to communicate these information to the 9 other teams which have been qualified. Maybe their decision will become easier when they get knowledge of the prices of hotel rates in our town”.

Thanks in advance.
