June 2013

Topics:

- 1. Revised Tournament Schedule for the Men European Cup 2013**
- 2. New ITC form**
- 3. IISHF Title Events 2014 – applications requested**

1. Revised Tournament Schedule for the Men European Cup 2013

The IISHF Presidium in cooperation with the hosting club SHC Rossemaison had to make a minor modification of the Tournament Schedule for the upcoming Men European Cup taking place on July 5-7, 2013 in Delémont, Switzerland (clarifying the match up for 3rd place). Attached please find the updated Tournament Schedule with date of 21.06.2013.

2. New ITC form

The ITC form to be used for team participation in all IISHF Tournaments has been modified. The IISHF Presidium has made the last modifications and revised all details of the new ITC form. We have also revised the Manual Instruction and put it on a separate page of the Excel file so that the clubs/teams/NMA's can better read and follow. Attached please find the revised ITC 2013 version to be used with immediate effect for all upcoming events.

3. IISHF Title Events 2014 – applications requested

We have received some interest from potential hosting candidates for IISHF Title Events 2014 as listed on www.iisfh.com for the U13 European Cup and the Junior European Championships. We hereby ask all NMA's for all European Cups 2014 and European Championships 2014 to provide their official applications until 31 July 2013.

The IISHF Presidium will then consider all applications received and decide about all title events 2014 where applications have been received. All remaining open title events 2014 without application until 31 July 2013 will be put out to tender in September 2013.

On behalf of the IISHF Presidium

Erik Sommer (President)

Jean-Daniel Muller (Vice President)

Ingo Goerke (Finance Director)
